
Note:

The bearings, distances, and curve data as shown South of State Route № 628 pertain to the southern side of the 5' widening strip and not the southern side of the existing 40' Right of Way of State Route № 628.

The bearings, distances, and curve data as shown on the perimeter of this plat of survey is the same as that shown on plat of survey of Kenton B. Patrick & Assocs. dated Dec. 28, 1970 and were not verified as to their location on the property by this surveyor.

Title to this property was obtained by D.B. 300 Page 314.

For plats of previous or adjoining surveys:
