

In addition to the electrical information in the Annual Billing Statement, we have a summer electrical minimum charge from May 1st to September 30th. The electrical costs are determined from the May to September time periods.

For lot owners who choose not to purchase electric for the entire open season and opt to use electric between 1 to 7 days, \$100.00 must be paid on the first day the electric is utilized. Lot owners who will only utilize the electric between 1 to 7 days can choose which dates to use the electric. If a lot owner who has not paid the seasonal electric cost and utilizes electric over 7 days will be required to pay \$250 in addition to the initial \$100.

Between October 1st and April 30, a lot owner who chooses to use electric month to month will be charged \$200 per month. There will be a minimum charge of \$100 for each 15 days. A lot owner may choose to camp during the winter months a few days in various months up to 15 days for a cost of \$100. The cost will be \$100 every 15 days if the lot owner chooses to stay longer during the winter months. If however, costs of electric usage increase during the winter there will be additional charges to the winter residents. During the winter of 2022-2023, two lot owners resided in camp where there were no winter electrical cost increases by the electrical association.

The board encourages lot owners to reside in camp during the winter months. The board can send a Winter Agreement to anyone who is interested. Also, members can email John Roussel if they want first-hand information regarding camping during the winter at SKRVV.

A few kindly reminders:

- 1) Dog owners please pick up after your pets (on or off your lots)
- 2) The ground water is non-potable
- 3) Lot owners and guests must have permission to park on other member's lots
- 4) No member shall obtain electric from any lot other than their own.
- 5) Please remove any brush or tree trimmings from your lots. Do not put landscaping debris in SKRVV's dumpster; haul debris out of the park.

Thank you,

Paul Morino
Secretary, Board of Directors
