PROTECTIVE COVENANTS

ENCHANTED FOREST SUBDIVISION

A.I.M., Inc., subdivider and owner of Enchanted Forest Subdivision, Palmer Recording District, Third Judicial, State of Alaska, does hereby restrict the use of the property as follows, these restriction constituting a general plan for the improvement and development of the property within the subdivision which shall operate as covenants running with the land and bind the respective successors in interest of the present owners.

1. Land Use: No lot shall be used for any purpose other than for single family residential or recreational use, except this provision may be waived by the Architectural Control Committee.

2. Building Setback Lines: As to all lots, no building shall be constructed closer than twenty-five (25) feet to any lot line fronting on a street, and no closer than ten (10) feet to any lot line separating that lot from another lot, whether such lot line be a back or side lot line. These limitations shall not apply to overhanging eaves, open porches, steps, stairways, or retaining walls.

3. Architectural Control: No Building shall be erected, placed, or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finished grade elevations relative to the location of the structure on the lot, the Architectural Control Committee may take into consideration the probable location of future structures on adjacent lots, giving ample consideration to preserving the view for those future structures.

4. Nuisances: No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may or may not become an annoyance or nuisance to the neighborhood. No part of any lot shall be used as junk yard, automobile service, maintenance, repair, washing, wrecking, or storage yard, or any other business or industrial use, except as specifically permitted by the Architectural Control Committee.

5. GARBAGE AND REFUSE DISPOSAL: No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall not be kept except in sanitary containers and all equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.
6. SEWAGE DISPOSAL SYSTEMS: No sewage disposal system shall be constructed on any lot which does not meet with the requirements standard in recommendations of the Alaska Department of Health.
7. OIL AND MINING OPERATIONS: No oil drilling, oil development operations, oil refining, quarrying, or mining operations of any kind shall be permitted upon or in any lot.
8. USE OF LAND FOR PUBLIC ACCESS TO LAKES AND RIVER: Lot 2 of Block 5, all of Block 7, Lot 20 of Block 15, and Lot 58 of Block 21 have been set aside for public parks.
9. RECEDING WATER, LAKE LEVEL: Owners of lots abutting water shall have exclusive use of all land up to the waters edge whether such land is included in the legal description of a lot or not.
10. ARCHITECTURAL COMMITTEE: The Architectural Control Committee is composed of Roger O. Purcell, David D. Coulson, and Conrad Rudd of Anchorage, Alaska. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. The committee's approval or disapproval as required in these covenants shall be in writing. In the event that the committee or its designated representative fails to approve or disapprove within 60 days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the approval will not be required and the related covenant shall be deemed to have been fully complied with.
11. FURTHER SUBDIVISION: No lot within the subdivision may be further subdivided, nor may any part or piece thereof be severed by conveyance, except with written concurrence by the Architectual Committee and in accordance with the laws of the State of Alaska the regulation of the Matanuksa-Susitna Borough.

12. Enforcement: Enforcement of these restrictions shall be by a proceeding at law or an equity against any person or persons violating or attempting to violate these covenants either to restrain violation or to recover for damages.

13. Severability: Invalidation of any of these covenants by a judgment or by a court order shall in no way affect any of the other provision which shall remain in full force and effect.

No part of any lot shall be used as junk yard, automobile service, maintenance, repair, washing, wrecking, or storage yard, or any other business or industrial use, except as specifically permitted by the Architectural Control Committee.

5. GARBAGE AND REFUSE DISPOSAL: No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall not be kept except in sanitary containers and all equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.
6. SEWAGE DISPOSAL SYSTEMS: No sewage disposal system shall be constructed on any lot which does not meet with the requirements standard in recommendations of the Alaska Department of Health.
7. OIL AND MINING OPERATIONS: No oil drilling, oil development operations, oil refining, quarrying, or mining operations of any kind shall be permitted upon or in any lot.
8. USE OF LAND FOR PUBLIC ACCESS TO LAKES AND RIVER: Lot 2 of Block 5, all of Block 7, Lot 20 of Block 15, and Lot 58 of Block 21 have been set aside for public parks.
9. RECEDING WATER, LAKE LEVEL: Owners of lots abutting water shall have exclusive use of all land up to the waters edge whether such land is included in the legal description of a lot or not.
10. ARCHITECTURAL COMMITTEE: The Architectural Control Committee is composed of Roger O. Purcell, David D. Coulson, and Conrad Rudd of Anchorage, Alaska. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. The committee's approval or disapproval as required in these covenants shall be in writing. In the event that the committee or its designated representative fails to approve or disapprove within 60 days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the approval will not be required and the related covenant shall be deemed to have been fully complied with.
11. FURTHER SUBDIVISION: No lot within the subdivision may be further subdivided, nor may any part or piece thereof be severed by conveyance, except with written concurrence by the Architectual Committee and in accordance with the laws of the State of Alaska the regulation of the Matanuksa-Susitna Borough.

12. Enforcement: Enforcement of these restrictions shall be by a proceeding at law or an equity against any person or persons violating or attempting to violate these covenants either to restrain violation or to recover for damages.

13. Severability: Invalidation of any of these covenants by a judgment or by a court order shall in no way affect any of the other provision which shall remain in full force and effect.
