This form recommended and approved for, but not restricted to use by, the members of the Pennsylvania Association of Realtors® (PAR).

1 **PROPERTY** 3799 Little Hickory Rd Tionesta PA 16353
 2 **SELLER** Arthur D Margetk JR

INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW

4 The Real Estate Seller Disclosure Law (68 P.S. §7301, et seq.) requires that before an agreement of sale is signed, the seller in a residential
 5 real estate transfer must disclose all known **material defects** about the property being sold that are not readily observable. A **material defect**
 6 is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or
 7 that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end
 8 of its normal useful life is not by itself a material defect.

9 This property disclosure statement ("Statement") includes disclosures beyond the basic requirements of the Law and is designed to assist
 10 Seller in complying with disclosure requirements and to assist Buyer in evaluating the property being considered. Sellers who wish to see
 11 or use the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. Neither this Statement
 12 nor the basic disclosure form limits Seller's obligation to disclose a material defect.

13 This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by Seller and is **not a substitute for any**
 14 **inspections or warranties** that Buyer may wish to obtain. **This Statement is not a warranty of any kind by Seller or a warranty or rep-**
 15 **resentation by any listing real estate broker, any selling real estate broker, or their licensees.** Buyer is encouraged to address concerns
 16 about the condition of the Property that may not be included in this Statement.

17 **The Law provides exceptions (listed below) where a property disclosure statement does not have to be completed. All other sellers**
 18 **are obligated to complete a property disclosure statement, even if they do not occupy or have never occupied the Property.**

- 19 1. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
- 20 2. Transfers as a result of a court order.
- 21 3. Transfers to a mortgage lender that results from a buyer's default and subsequent foreclosure sales that result from default.
- 22 4. Transfers from a co-owner to one or more other co-owners.
- 23 5. Transfers made to a spouse or direct descendant.
- 24 6. Transfers between spouses as a result of divorce, legal separation or property settlement.
- 25 7. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of
 26 liquidation.
- 27 8. Transfers of a property to be demolished or converted to non-residential use.
- 28 9. Transfers of unimproved real property.
- 29 10. Transfers of new construction that has never been occupied and:
 30 a. The buyer has received a one-year warranty covering the construction;
 31 b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model
 32 building code; and
 33 c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

COMMON LAW DUTY TO DISCLOSE

34 Although the provisions of the Real Estate Seller Disclosure Law exclude some transfers from the requirement of completing a disclo-
 35 sure statement, the Law does not excuse the seller's common law duty to disclose any known material defect(s) of the Property in order
 36 to avoid fraud, misrepresentation or deceit in the transaction. **This duty continues until the date of settlement.**
 37

EXECUTOR, ADMINISTRATOR, TRUSTEE SIGNATURE BLOCK

38 According to the provisions of the Real Estate Seller Disclosure Law, the undersigned executor, administrator or trustee is not required
 39 to fill out a Seller's Property Disclosure Statement. **The executor, administrator or trustee, must, however, disclose any known**
 40 **material defect(s) of the Property.**

Where required permits were not obtained, the municipality might require the current owner to upgrade or remove changes made by the prior owners. CONSUMER NOTICE

THIS IS NOT A CONTRACT

In an effort to enable consumers of real estate services to make informed decisions about the business relationships they may have with real estate brokers and sales persons (licensees), the Real Estate Licensing and Registration Act (RELRA) requires that consumers be provided with this Notice at the initial interview.

- Licensees may enter into the following agency relationships with consumers:

Seller Agent

As a seller agent the licensee and the licensee's company works exclusively for the seller/landlord and must act in the seller's/landlord's best interest, including making a continuous and good faith effort to find a buyer/tenant except while the property is subject to an existing agreement. All confidential information relayed by the seller/landlord must be kept confidential except that a licensee must reveal known material defects about the property. A subagent has the same duties and obligations as the seller agent.

Buyer Agent

As a buyer agent, the licensee and the licensee's company work exclusively for the buyer/tenant even if paid by the seller/landlord. The buyer agent must act in the buyer/tenant's best interest, including making a continuous and good faith effort to find a property for the buyer/tenant, except while the buyer is subject to an existing contract, and must keep all confidential information, other than known material defects about the property, confidential.

Dual Agent

As a dual agent, the licensee works for *both* the seller/landlord and the buyer/tenant. A dual agent may not take any action that is adverse or detrimental to either party but must disclose known material defects about the property. A licensee must have the written consent of both parties before acting as a dual agent.

Designated Agent

As a designated agent, the broker of the selected real estate company designates certain licensees within the company to act exclusively as the seller/landlord agent and other licensees within the company to act exclusively as the buyer/tenant agent in the transaction. Because the broker supervises all of the licensees, the broker automatically serves as a dual agent. Each of the designated licensees are required to act in the applicable capacity explained previously. Additionally, the broker has the duty to take reasonable steps to assure that confidential information is not disclosed within the company.

- In addition, a licensee may serve as a Transaction Licensee.

A transaction licensee provides real estate services without having any agency relationship with a consumer. Although a transaction licensee has no duty of loyalty or confidentiality, a transaction licensee is prohibited from disclosing that:

- The seller will accept a price less than the asking/listing price,
- The buyer will pay a price greater than the price submitted in the written offer, and
- The seller or buyer will agree to financing terms other than those offered.

Like licensees in agency relationships, transaction licensees must disclose known material defects about the property.

12/08

- Regardless of the business relationship selected, all licensees owe consumers the duty to:
 - Exercise reasonable professional skill and care which meets the practice standards required by the RELRA.
 - Deal honestly and in good faith.
 - Present, as soon as practicable, all written offers, counteroffers, notices and communications to and from the parties. This duty may be waived by the seller where the seller's property is under contract and the waiver is in writing.
 - Comply with the Real Estate Seller Disclosure Law.
 - Account for escrow and deposit funds.
 - Disclose, as soon as practicable, all conflicts of interest and financial interests.
 - Provide assistance with document preparation and advise the consumer regarding compliance with laws pertaining to real estate transactions.
 - Advise the consumer to seek expert advice on matters about the transaction that are beyond the licensee's expertise.
 - Keep the consumer informed about the transaction and the tasks to be completed.
 - Disclose financial interest in a service, such as financial, title transfer and preparation services, insurance, construction, repair or inspection, at the time service is recommended or the first time the licensee learns that the service will be used.
- The following contractual terms are *negotiable* between the licensee and the consumer and must be addressed in an agreement/disclosure statement:
 - The duration of the licensee's employment, listing agreement or contract.
 - The licensee's fees or commission.
 - The scope of the licensee's activities or practices.
 - The broker's cooperation with and sharing of fees with other brokers.
- All sales agreements must contain the property's zoning classification except where the property is zoned solely or primarily to permit single family dwellings.
- The Real Estate Recovery Fund exists to reimburse any person who has obtained a final civil judgment against a Pennsylvania real estate licensee owing to fraud, misrepresentation, or deceit in a real estate transaction and who has been unable to collect the judgment after exhausting all legal and equitable remedies. For complete details about the Fund, call (717) 783-3658.

Before you disclose any financial information to a licensee, be advised that unless you select a business relationship by signing a written agreement, the licensee is NOT representing you. A business relationship is NOT presumed.
