WHEREAS, the Declarant desires to establish and enforce uniform standards of development quality and to provide for the effective preservation of the appearance, value, and amenities of Flowers Plantation Subdivision, which establishment, enforcement, and preservation shall benefit all Owners of the property located thereon and, to that end, desires to subject said real property to the protective covenants, conditions, and restrictions herein contained, all of which are for the benefit of the said real property and the Owners thereof; and

**ARTICLE I
GENERAL COVENANTS AND RESTRICTIONS**

1.1 Land Use and Building Type. No lot shall be used except for single family residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one single family residence, not to exceed two stories in height, and one detached

building. The building plan and plot plan must have written approval of the Architectural Control Committee (hereinafter ("ACC")) prior to construction commencement. Approval shall be as provided in Article II.

1.2 Architectural Control. TV satellite dishes, antennas, etc. shall not be visible from the street. No main building, storage building, cabana, swimming pool, fence, wall, basketball goal, clothesline, or any other structure shall be erected, placed, or altered on any lot in the subdivision until the plans, material specifications, and plot plan showing the location and design of such buildings or structures have been expressly approved, in writing, as to conformity and harmony of external design and location with existing structures in the subdivision and as to the location of the buildings or other structures, in respect to topography and finished ground elevation by the ACC. Approval shall be as provided in Article II. Any such items not approved in writing may be removed by the Association at its discretion, and the Owner of the lot shall be charged with all costs of removal.

1.3 Size and Quality. It is the intention and purpose of these covenants to assure that all dwellings are of quality workmanship and material substantially the same or better than that which can be produced on the date these covenants are recorded. The heated and cooled area of the main structure, exclusive of porches and garages, shall be no less than 1,500 square feet.

No building shall be located on any lot nearer than 25' from the rear property line to the rear exterior wall. No building shall be located on any lot nearer than 5' from any interior side lot lines to the adjacent exterior wall. For the purpose of this covenant, eaves, steps, and fireplace chases shall not be considered as part of an exterior wall, provided, however,

that this shall not be construed to permit any portion of a building or a lot to encroach upon another lot. All setbacks shall be approved by the ACC

1.7 Driveways. No lot shall have more than one driveway, and no driveway will be wider than 12' at the street, but any driveway may start tapering past the property line. However, circular drives utilizing two street access points may be permitted upon approval by the ACC.

Dog owners shall not allow any dog to be at large (off the owner's property), upon the property of another without the property owner's permission, or upon the public streets or rights-of-way unless under the restraint of a leash or chain. The owners of the pet shall be responsible for all of the pet's actions. If, in the sole opinion of the Board, any animal becomes dangerous or an annoyance or nuisance on the property, or to nearby property or destructive to wildlife, they shall be removed from the property. Pet owners are responsible for proper disposal of pet waste in all common areas, public streets and rights-of-way, and the property of any other owner.

1.16 Sight Distance at Intersection. No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between two and six feet above the roadway section of a street property line with the edge of a driveway shall be permitted. 1.21 Unightly Clause. All properties must be maintained in a clean, orderly, and visually appealing manner to preserve the overall aesthetic and value of the community. The presence of unsightly conditions is strictly prohibited and includes, but is not limited to, the presence of mold or dirt buildup on driveways and sidewalks, overgrown grass or

1.23 Holiday decorations. All holiday decorations must be removed within forty-five (45) days following the holiday.

1.24 Commercial Vehicles. No commercial trucks may be parked, stored, or kept within the subdivision. However, this provision is not intended to prevent delivery trucks and trucks moving trash cans from entering the subdivision for their normal business deliveries or pickups.

1.25 Trucks and Equipment. No trucks larger than four (4) tons (*example Ford F250 is 3.75 tons*) GVW and no tractors or other excavating machinery shall be parked or stored on any road, street, parking lot, yard or lot located in the subdivision for any period in excess of twenty-four (24) hours except during periods of construction on the lots.

ARTICLE II ARCHITECTURAL CONTROL COMMITTEE

2.1. Membership. The initial ACC shall be composed of three or more members appointed by The Declarant. In the event of death or resignation of any member of the ACC, the remaining members shall have full authority to designate a successor. The members of the ACC shall not receive compensation for services performed pursuant to this covenant.

2.2. Procedure. All requests for approval shall be submitted in writing to the ACC upon the form(s) provided by and in the manner proscribed by the ACC. Such submittal requirements may include a duplicate set of plans that may be retained by the ACC. Approval by the ACC shall be evidenced either by a signed letter from the ACC approving the plans as submitted. As set forth hereinabove, no improvements to any lot may proceed without prior approval of the ACC.

2.3. Term. Until turn-over of the Association and the election of Directors by the

membership of the Association as set forth in Section 6.4 below, the Declarant shall have the sole and exclusive right to appoint and remove all members of the ACC. Upon turn-over of the Association, the Board of Directors, elected by the membership of the Association, shall then appoint the ACC.

ARTICLE III EASEMENTS

3.1. Road Easements. The Declarant hereby expressly reserves unto itself and to its successors, assigns, and invitees, forever, a non-exclusive perpetual road easement on, over, across, and upon the roadways shown on the Plat of Flowers Plantation Subdivision.

3.2. Utility and Drainage Easements. The Declarant reserves unto itself, its successors and assigns, a perpetual, non-exclusive easement and right, on, over, across, and under the ground to construct and maintain storm water drainage facilities and to erect, maintain, and use electric and telephone wires, cables, conduits, sewers, water mains, and other suitable equipment for the conveyance and use of electricity, telephone, gas, sewage, water, streetlights, or other public conveniences or utilities, and such other easements as are shown on the recorded Plat of Flowers Plantation Subdivision. The easements expressly include the right to cut any trees, bushes, shrubs, hedges, etc. and include the right to grade, ditch, and any like action reasonably necessary to provide economical drainage and utility installation.

3.3. Entry Easements. The Declarant reserves for the Declarant and the Association an easement across every lot; and the Declarant and the Association shall have the right to enter upon any lot for any of the purposes in this Declaration in order to exercise, enjoy and carry out any and all of the rights and powers of the Declarant or the Association stated in this Declaration. Entry upon any lot shall not be deemed a trespass, and the Declarant and the Association shall not be liable for any damage so created unless such damage is caused by the willful misconduct or negligence of the party against whom damages are sought to be collected.

3.4. Signage and Landscaping Easements. Declarant hereby expressly reserves for the Declarant and the Association a fifteen feet (15') wide perpetual easement for signage and landscaping on Lots 5 & 20, Block B, and Lots 7 & 27, Block A.

ARTICLE IV COMMON AREAS

4.1. Owners Easements of Environment. Every Owner of a lot shall have the right of use and enjoyment in and to the common areas shown on the Plat of Flowers Plantation Subdivision, which right of use and enjoyment shall be appurtenant to and shall pass with the title for every lot subject to the following provisions:

- a. The right of the Declarant and the Association, from time to time, to make and amend reasonable regulations concerning the use of the common areas; and
 - b. The right of the Declarant and the Association to suspend the right of use and enjoyment of any common area by any Owner for any period during which any assessment against said Owner's lot remains unpaid.
- 4.2. Restrictions. All Owners shall be subject to the following restrictions regarding all common areas in Flowers Plantation Subdivision:
- a. No child under the age of thirteen (13) shall be allowed in any common area without adult supervision.
 - b. No motorcycles, four wheelers, go-carts, or other motorized recreational or all-terrain vehicle shall be allowed in the common areas of the subdivision.

ARTICLE V ASSESSMENT OF ANNUAL CHARGE

5.1. Personal Obligation of Owners. The Owner of any lot by acceptance of a deed or other conveyance for such lot, whether or not it shall be expressed in such deed or other conveyance, shall be deemed to covenant and agree to pay to the Declarant or the Association such fees that are assessed by the Declarant or the Association, and agrees that non-payment of such fees creates a lien on the Owner's lot. Notwithstanding the foregoing, the Declarant shall not be required to pay assessments on lots owned by the Declarant.

5.2. Assessment. All Owners, commencing with the year 2025, will be assessed a charge equal to a specified number of dollars per lot, commencing on the date of purchase. It is specifically understood and represented that the utility charges to each lot, including cable, sewer, water, electricity, telephone, gas (if any) and other utilities are the separate and personal responsibility of the lot Owner and are not part of any assessments provided for herein. Builders are not required to pay assessments until the property is sold or occupied.

5.3. Purpose of Assessments. The assessments levied by the Declarant or the Association shall be for the general purposes of promoting the recreation, health, safety, welfare, common benefits, and enjoyment of the Owners and occupants in Flowers Plantation Subdivision, and for the improvement and maintenance of the common areas of Flowers Plantation Subdivision, including without limitation the entrance, detention/drainage areas, and street lights (referred to herein as "Common Expenses").

5.4. Types of Assessments. There are hereby created assessments for Common Expenses as the Declarant or the Association may specifically authorize from time to time. There shall be two types of assessments: a) the Base Annual Assessment; and b) Special Assessments, each of which is described herein. Each Owner, by accepting a deed or entering into a recorded contract of sale for any portion of the Flowers Plantation Subdivision property, is deemed to covenant and agrees to pay these assessments.

5.5. Base Annual Assessment. The Base Annual Assessment shall be used to fund

Common Expenses for the general benefit of all lots. The Base Annual Assessment shall be paid quarterly.

5.6. Special Assessments. In addition to Base Annual Assessment, the Declarant or the Association may levy Special Assessments from time to time to cover unbudgeted or unexpected expenses or expenses in excess of those budgeted. Special Assessments shall be payable in such manner and at such times as determined by the Declarant or Association and may be payable twelve (12) monthly installments in which the Special Assessment is approved. After turn-over of the Association by the Declarant, as set forth in Section 6.4, any Special Assessment shall require the affirmative vote or written consent of members holding more than 50.00% percent of the total votes.

5.7. Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each lot on the first day of the month following the month in which the Declarant or the Association first determines a budget and levies assessments pursuant to this Article. The first Base Annual Assessment levied on each lot shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the lot.

5.8. Assessment Notice. As soon as may be practical in each year, the Declarant or the Association shall send a written bill to each Owner stating the amount of the Base Annual Assessment as well as any other assessments assessed against each such lot, stated in terms of the total sum due, and that unless the member shall pay the Base Annual Assessment within thirty (30) days following the date of receipt of the bill, the same shall be deemed delinquent and will bear interest at the rate of prime plus five percent (5%) or twelve percent (12%), whichever is greater (the prime rate shall be as published in the Wall Street Journal on the date of issuance of the Assessment Notice).

5.9. Base Annual Assessment Amount. The amount of the Base Annual Assessment shall be established annually by the Declarant or the Association. The initial Base Annual Assessment shall be set by the Declarant, and shall continue each year until the Declarant or the Association shall establish a different Annual Assessment.

5.10. Creation of Lien and Personal Obligation for Assessments. If an Owner shall fail to pay any assessments within sixty (60) days following receipt of the bill referred to in Section 5.8 hereof, and within thirty (30) days after additional written notice that the Owner is delinquent in his payment, in addition to the right to sue the Owner for a personal judgment, the Declarant or the Association shall have the right to enforce a lien on said property. All assessments, together with interest (at the rate set forth hereinabove), as computed from the date the delinquency first occurs. Late charges, costs, and reasonable attorney's fees, shall be a charge and continuing lien upon each lot against which the assessment is made until paid. Each such assessment, together with interest, late charges, costs and reasonable attorney's fees also shall be the personal obligation to the Owner of such lot at the time the

assessment arose. Upon a transfer of title to a lot, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance. However, any Mortgagee who obtains title to said lot by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments, which accrued prior to such acquisition of title. Any assessments not timely paid shall incur late charges as follows:

1. \$35.00 for any assessment outstanding for 30-59 days
2. \$70.00 for any assessment outstanding for 60-89 days
3. \$105.00 for any assessment outstanding for 90-119 days
4. An additional \$25.00 shall be due for each calendar month in which an assessment remains outstanding beyond 119 days.

Declarant shall have the right to increase these charges from time to time, as deemed appropriate by Declarant.

5.11. Obligations of the Declarant or the Association with Respect to Funds. The Declarant or the Association shall not be obligated to spend in any calendar year all the sums collected in such year by way of the Base Annual Assessment or any other assessment, and may carry forward as surplus any balances remaining; nor shall the Declarant or the Association be obligated to apply any such surpluses to the reduction of the amount of the Base Annual Assessment in the succeeding year, but may carry forward from year to year such surplus as the Declarant or the Association in its absolute discretion may determine to be desirable. The Declarant or the Association shall provide access to all Owners to annual accounting of funds expended and balances remaining.

5.12. Damages. The Board of Directors of the Association shall have the right and authority to enjoin or seek damages from the owners of the lots in the subject property for violation of these covenants or violation of any of the said rules of the Association.

ARTICLE VI FLOWERS PLANTATION SUBDIVISION HOMEOWNERS' ASSOCIATION, INC

6.1. The Association. The Declarant shall cause to be formed an association to be known as Flowers Plantation Subdivision Homeowners' Association, Inc. (referred to herein as the "Association"), with such powers and duties as are set forth in the articles and bylaws of the Association not inconsistent with this Declaration.

6.2. Membership/Voting. Every Owner of a lot, by virtue of such ownership, shall be a member of the Association. No Owner, whether one or more persons, shall have more than one (1) membership/vote per lot owned. If a lot is owned by more than one person, all co-owners shall be entitled to the privileges of membership; however, there shall be only one vote per lot. All such co-owners shall be jointly

and severally obligated to perform the responsibilities of Owners hereunder.

6.3. Board of Directors. The affairs of the Association shall be governed by a Board of Directors. The minimum number of Directors of the Association shall be three (3). The initial number of Directors of the Association shall be three (3). The Board of Directors of the Association may, by resolution of a majority of the existing Directors, change the number of Directors from time to time.

6.4. Declarant Directors: Turn-Over of Association. The initial Directors shall be appointed by the Declarant acting in its sole discretion and shall serve at the pleasure of the Declarant. The Declarant shall have the right to appoint the Board of Directors until no later than sixty (60) days after the closing of the sale of the last lot within Flowers Plantation Subdivision that is owned by Declarant or at such earlier time as Declarant voluntarily turns over these rights to the voting members of the Association. Each Owner, by acceptance of a deed or other conveyance of property within Flowers Plantation Subdivision, vests in Declarant such authority to appoint and remove Directors of the Association.

ARTICLE VII GENERAL PROVISIONS

7.1. Terms or Restrictions: Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or private insurance company, including without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Lot unless the Owner of such Lot consents thereto in writing. Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Owners hereunder nor shall it adversely affect title to any Lot without the consent of the affected Owner.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent of Owners of at least a super majority (Sixty-seven percent - 67%) of the Lots and the consent of Declarant if the Declarant shall own any Lot(s) or have the right to annex any additional property described in Exhibit "B". Amendments to this Declaration shall become effective upon recordation unless a

later effective date is specified therein. The consent of the Declarant to any amendment shall be evidenced by the execution of said amendment by Declarant. The consent of the requisite number of Owners to any amendment shall be evidenced by the execution of the amendment by said Owners, or, in the alternative, the sworn statement of the President or any Vice President or the Secretary of the Association attached to or incorporated in the amendment, which sworn statement states unequivocally that the consent of the required number of Owners was obtained and that any notices required by this Declaration, the Bylaws, the Articles of Incorporation and Alabama law were given. Until turnover of the Association as set forth herein, any Amendment or modification to these covenants and restrictions shall require the written consent of the Developer and Declarant.

7.2. Proceedings Against Violators. If any Owner, tenant or occupant of this subdivision shall violate or attempt to violate any of these covenants and restrictions while in force and effect, it shall be lawful for any other person or persons having any ownership interest in any lot in the subdivision to prosecute any proceedings at law or in equity against any person violating or attempting to violate such covenants and restrictions and either to them from doing so or to recover damages for such violations. In no event and under no circumstances shall a violator of any covenant or restriction herein contained, arrange a forfeiture or reverter to title.

7.3. Enforcement. The Board may impose fines or other sanctions for violations of the Declaration, the Articles of Incorporation, the Bylaws, and/or the rules and regulations, which shall constitute and Individual Assessment and shall be collected as provided for the collection of assessments. Failure to comply with the Declaration, the Articles of Incorporation, the Bylaws, or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief or both, including, without limitation, all costs and reasonable attorney's fees actually incurred (including but not limited to all post-judgment costs and attorneys' fees incurred), maintainable by the Association or an aggrieved Owner. Failure by the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter.

Additionally, the Association, the Developer, the Architectural Committee, or their respective duly authorized agents shall have the power to enter upon any Parcel or any other portion of the Willow Point Subdivision to abate or remove any structure, thing or condition which violates the Declaration, the Articles of Incorporation, the Bylaws, the rules and regulations, or the use restrictions. Unless an emergency situation exists, the violating Owner shall be given ten (10) days written notice of the intent to exercise self-help. Notwithstanding the foregoing, if permitted by applicable law, vehicles may be towed after giving any notice required by law. All costs of self-help, including, without limitation, reasonable attorney's fees actually incurred, shall be assessed against the violating Owner as an Individual Assessment.

7.4 Invalidation of any Covenants. Invalidation of these covenants, restriction

by judgment, or restrictions by judgment of court order shall in no way affect any other provision which shall remain in full force and effect.

7.5 Attorney Fees and Court Costs. If the party attempting to enforce these restrictions shall prevail in any proceeding at law or at equity, such party shall be entitled to recover all reasonable attorney fees and court costs, which will be assessed against the party which is found to be in violation of such restrictions.

7.6 Abatement or Removal of Violations. Violations of any restrictions or covenant shall give the Declarant or the Association the right to enter upon the property where such violations exist and summarily abate or remove the same at the expense of the Owner, and such entry and abatement or removal shall not be deemed as trespass.

7.7 Deed Restrictions. The Declarant, its successors, or its designated representative, may make other restrictions applicable to any lot by appropriate provisions in the contract for deed or in any deed without otherwise modifying the general plan herein outlined, and such other restrictions shall inure to the benefit of other lots in the subdivision and shall bind the grantees and their respective heirs, successors or transferees in the manner as though they had been expressed herein.
