

STATE OF TEXAS
DEPARTMENT OF EDUCATION
PUBLIC INFORMATION DIVISION

The State of Texas is committed to providing a high-quality education for all students. This commitment is reflected in the state's education policies and programs. The Department of Education works to ensure that every child has the opportunity to succeed in school and in life.

One of the key priorities of the Department is to improve student achievement. This is done through a variety of programs and initiatives, including teacher training, curriculum development, and assessment reform. The Department also works to address the needs of at-risk students and to promote equity in education.

In addition, the Department is committed to promoting transparency and accountability in the education system. This is achieved through the release of public information, including test scores, graduation rates, and other data. The Department also works to ensure that the public has access to the information it needs to make informed decisions about education.

By providing this information, the Department hopes to increase public understanding of the education system and to encourage greater participation in the process of improving education. The Department is committed to working with the public to ensure that every child has the opportunity to succeed.

If you have any questions or comments, please contact the Public Information Division. We are happy to provide you with the information you need. You can reach us by phone, email, or through our website. We are committed to providing you with the best possible service.

The Public Information Division is the primary point of contact for all public information requests. We will respond to your request as quickly as possible. If you need more information, please contact us again. We are committed to providing you with the information you need to make informed decisions about education.

Our goal is to provide the highest quality public information possible. We will continue to work to improve our services and to ensure that the public has access to the information it needs. We are committed to transparency and accountability in the education system.

A real choice contract for the education system will protect students from unfair practices.
