

Energy Efficiency/Green Features Supplemental Document

Energy Star Appliances/Mechanicals

- Stove (gas, electric, or induction/convection): Gas
- Refrigerator
- Dishwasher
- Freezer
- Washer
- Dryer
- Furnace/heat source (specify type): Gas
- Air Conditioner/cooling system (specify type): Central Air
- Water Heater (electric or gas): Gas
- Water Softener
- Other (specify): _____
- Other (specify): _____

Solar Information

- Used for: Electricity Hot Water Heat
- Annual Production (kWh): _____ Electric Company: _____
- Installed By: _____ Date Installed: _____ Length of Warranty: _____
- Ownership: Leased Seller-Owned
 (check all that apply) Outstanding Balance Owed Seller to Pay Off at Closing
 Current Loan is Assumable Warranty is Transferable
- Included in Sale? Yes No Battery Backup? Yes No
- Passive Solar Design? Yes No

Green Building Certifications

Certification Type (ex: Energy Star, Focus on Energy, HERS, LEED, Pearl)	Certification Date	Certification Score/Rating
Energy Star, Focus on Energy	9-10-2008	

Other Green Features

- Low E Windows (how many & in which rooms): _____
- Low VOC Materials (please explain): _____
- Reclaimed/Recycled Content (please explain): _____
- Other (doors, insulation, etc): _____
