

Rhino Shield Ceramic Coating Manufacturer's Limited Materials Warranty

The material making up the Rhino-Shield Ceramic Coating is warranted by the manufacturer for Twenty Five (25) years against chipping, flaking, or peeling.

The manufacturer of Rhino-Shield Ceramic Coating Material warrants that at any time up to Twenty Five (25) years after the date of application, it will furnish, without cost to the customer, sufficient Coating Material for the replacement of any Rhino-Shield Ceramic Coating that has shown inherent defects in the basic Material.

Upon written notice from buyer during warranty period sent to Rhino Exteriors LLC. The manufacturer warrants that it will provide materials to remedy substantial defects in the materials for a period of up to Twenty Five (25) years after the date of application.

Neither the Manufacturer nor Rhino Exteriors LLC. warrants against damage resulting from structural settling, structural movement, structural defects, acts of providence, efflorescence, external physical causes of any kind, alterations to the coated surfaces, lack of proper drainage (standing water), preexisting conditions, substrate failure, buyer's negligence, leaks occurring around window frames, door openings, or leaks in or through roofs, and any such damage shall be repaired at Buyer's expense. Rhino Shield Ceramic Coating is not warranted on mechanical or moving parts. No other material installed or applied in conjunction with Rhino-Shield Ceramic Coating Material is warranted nor is labor or workmanship warranted by the manufacturer.

Normal weathering combined with the aging process will cause any colored surface to fade, darken, or acquire a surface accumulation of dirt or stains from foreign substances. Rhino-Shield Ceramic Coating effectively resists these effects. However, any material exposed to sunlight and the extremes of weather can discolor and stain. For this reason, these changes in color and staining are not warranted.

This Warranty is valid only when the Rhino-Shield Ceramic Coating Material is applied by the Manufacturer's approved applicators, and in accordance with the Manufacturer's approved methods.

This Warranty is transferable by the current Home-Owner to subsequent Home-Owners, provided that Rhino Exteriors LLC. receives written notice of transfer within sixty (60) days of the date of the transfer. Failure to do so will void this Warranty.

Under no circumstances will the liability of the Manufacturer or Rhino Exteriors LLC. extend beyond the replacement of the Coating Material. No other warranties for materials exist, expressed or implied. Payment in full of the contract amount shall constitute the Buyer's, the Manufacturer's, and Rhino Exteriors LLC. acceptance of the terms of this warranty.
