ARTICLE I
MUTUALITY OF BENEFIT AND OBLIGATION

1.1 Mutuality. The covenants, restrictions, and agreements set forth in this Declaration are made for the mutual and reciprocal benefit of every parcel within the Property, and are intended to create mutual equitable servitudes upon each such parcel in favor of the other parcels, to create reciprocal rights among the respective Owners, and to create privity of contract and an estate between the grantees of each and every parcel within the Property, their heirs, successors and assigns.

1.2 Benefits and Burdens. Every person who is an Owner does by reason of taking title to land located within the Property agree to all the terms and provisions of this Declaration and shall be entitled to its benefits and subject to its burdens.

Reference in this Declaration to White's Ford Timber, LLC as the Declarant of the Property is not intended and shall not be construed, to impose upon White's Ford Timber, LLC any obligations, legal or otherwise, for the acts or omissions of third parties who purchase Lots or parcels within the Property from White's Ford Timber, LLC and develop and resell the Lots or parcels.

ARTICLE III
PROPERTY SUBJECT TO THIS DECLARATION:
ADDITIONS AND DELETIONS

3.1 No Implied Extension of Covenants. Each Owner and each tenant of any improvements constructed on any Lot, by becoming an Owner or tenant, shall be deemed to have agreed that (a) the Property described on **Exhibit A** and such additional property as may be annexed pursuant to Section 3.2 shall be the only Property subject to this Declaration, (b) that nothing contained in this Declaration or in any recorded or unrecorded plat, map, picture, drawing, brochure or other representation of a scheme of development, shall be construed as subjecting, or requiring the Declarant to subject any other property now or hereafter owned by the Declarant to this Declaration, and (c) that the only manner in which additional land may be subjected to this Declaration is by the procedure set forth in Section 3.2.

3.2 Additional Lands. The Declarant or the Association (upon the approval of its Board of Directors and with the consent of the owner of the additional land) may, but shall not be obligated to, subject additional land to this Declaration from time to time provided only that (a) such additional land is located within the Future Development Area, or (b) such additional land is substantially contiguous to the Property then subject to this Declaration (for purposes of this Section 3.2, any property that is located within the boundaries of the lands subject to the DRI shall be deemed substantially contiguous), and (c) the Owners of property within additional lands made subject to this Declaration shall be and become subject to this Declaration, and shall be responsible for their pro rata share of common expenses for which assessments may be levied pursuant to the terms of Article V of this Declaration. Addition of lands to this Declaration shall be made and evidenced by filing in the public records of the County a Supplementary Declaration executed by the Declarant, the Association and the owner of the additional land, as applicable, with respect to the lands to be added. Declarant reserves the right to supplement this Declaration to add land to the scheme of this Declaration pursuant to the foregoing provisions without the consent or joinder of any Owner, any mortgagee of land within the Property or any other party other than the owner of the additional land, if applicable.

3.3 Withdrawal of Lands. The Declarant or the Association (upon the approval of its Board of Directors and with the consent of the affected land owner) may, but shall have no obligation to, withdraw at any time, or from time to time, any portion of the Property from the terms and effect of this Declaration. The withdrawal of land shall be made and evidenced by filing in the public records of the County a Supplementary Declaration executed by the Declarant, the Association and the affected land owner, as applicable, with respect to the lands to be withdrawn.

ARTICLE IV
COMMON AREA RIGHTS

4.1 Conveyance of Common Area. Declarant agrees that all of the Common Area owned by Declarant shall be conveyed or assigned to the Association, subject to covenants, easements, restrictions and other matters of record, on or before the date which is one hundred twenty (120) days after the Declarant no longer owns any portion of the Property, and the Association shall accept such conveyance or assignment. Upon the recordation of any deed or

deeds conveying Common Area to the Association, the Association shall be conclusively deemed to have accepted the conveyance evidenced by such deed or deeds.

4.2 Owners' Easement of Enjoyment. Except for the Amenities, each Owner shall have a right and easement of enjoyment in and to the Common Area for its intended purpose, which shall be appurtenant to, and shall pass with, the title to the land of such Owner, subject to the following:

(a) The right of the owner of the Common Area to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility;

(b) The right of the owner of the Common Area to make all or any part of the Common Area available for public use, provided that such use shall not unreasonably interfere with the use and enjoyment of such Common Area by the Owners.

(c) All provisions of this Declaration, any plat of all or any parts of the Property, and all applicable governmental restrictions, including without limitation the provisions of the DRI and the PUD;

(d) Reasonable rules and regulations governing use and enjoyment of the Common Area adopted by the Declarant or the Association, including without limitation, rules and regulations that designate certain portions of the Common Area for use by less than all of the members of the Association (by, for example, designating any portion of the Property as Restricted Common Area);

(e) The rights of the Declarant and the Association under Sections 3.2 and 3.3 to add to or withdraw land from the Common Area;

(f) Easements, restrictions, agreements and other matters of record; and

(g) The right of Association, acting through its Board of Directors, to convey, mortgage or otherwise encumber any or all of the Common Area.

The foregoing easement of enjoyment in favor of the Owners shall not be construed to create or imply any other easements or rights not expressly created by this Declaration, it being the intent hereof to limit the Owners' rights of use of specific portions of the Common Area to only the intended purposes of such portions of the Common Area. For example, the creation of each Owner's right to drain such Owner's property into the portions of the Common Area included within the Surface Water or Stormwater Management System, does not create any right of access by any Owner to such portions of the Common Area over any other Owner's property or other privately owned portions of the Property.

4.3 Right of the Declarant to Designate Property as Common Area or to Withdraw Property from the Common Area. Notwithstanding anything to the contrary contained in this Declaration, the Declarant shall have the right, in its sole discretion, to designate land, easements, use rights and personal property owned by the Declarant as Common Area, provided only that such land shall be located within the Property or substantially contiguous to the Property (for purposes of this Section 4.3, any property that is located within

the boundaries of the land subject to the DRI shall be deemed substantially contiguous). For so long as the Declarant shall own any portion of the Future Development Area, the Declarant may, at any time, withdraw, or cause to be withdrawn, land from the Common Area in the Declarant's sole discretion. Addition of land to and withdrawal of land from the Common Area shall be evidenced by recording a Supplementary Declaration in the public records of the County which shall specifically reference such addition or withdrawal. Withdrawal of land from the Common Area by the Declarant shall terminate any and all easements and rights of use of the Owners in such land but shall not otherwise withdraw such land from the provisions of this Declaration unless such withdrawal complies with the requirements of Section 3.3. No land owned by the Declarant shall be deemed to be Common Area unless such land is expressly designated on **Exhibit D**, or is subsequently designated by the Declarant pursuant to Section 2.5 and this Section 4.3, even if the Declarant consents or acquiesces to the use of such land by the Owners. In the event any land, easements, use rights, or personal property owned by the Association is withdrawn from the Common Area pursuant to this Section 4.3, upon the Declarant's written request, the Association shall promptly execute and deliver to the Declarant any and all deeds, bills of sale, assignments or other conveyance documents as may be necessary or appropriate to effectuate the withdrawal of such Common Area.

4.4 Maintenance of Common Area and Compliance with Applicable Permits.

(a) The Association shall at all times maintain in good repair and manage, operate and insure, and shall replace as often as necessary, the Common Area and any improvements and landscaping (except utilities owned and maintained by public or private utility companies providing water, sewer, electrical, fire protection, cable television, telephone, or similar utilities to any portion of the Property, or any portion thereof) situated on the Common Area, if any. The Association shall maintain the Common Area in accordance with all permit requirements and conditions contained in applicable dredge and fill, consumptive use, surface water permits, or any other applicable permits issued by the United States Army Corps of Engineers ("ACOE"), Florida Department of Environmental Protection ("FDEP"), St. Johns Water Management District ("SJRWMD"), or the County and in accordance with the PUD. The Association shall be responsible for the maintenance, operation and repair of the Surface Water or Stormwater Management System, as more particularly set forth in the applicable permits for its construction and operation, including without limitation, any temporary or permanent wetland mitigation monitoring that may be required by such permits. Maintenance of the Surface Water or Storm Water Management System shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SJRWMD. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the Surface Water or Stormwater Management System shall be as permitted, or if modified, as approved by the SJRWMD. All maintenance obligations of the Association shall be performed as ordered by the Board of Directors of the Association, and all or any portion of the cost of such maintenance incurred by the Association pursuant to this Section 4.4, shall be a common expense of the Association to be collected and paid in the manner prescribed by this Declaration.

(b) Nothing contained in this Declaration shall obligate the Association to operate, maintain or repair any Surface Water or Stormwater Management System that by applicable permit is to be maintained by any Subassociation or other entity. However, in the

event that any Subassociation shall for any reason fail to maintain any portion of the Surface Water or Stormwater Management System for which it is responsible, or any other portion of the Property or other property or improvements located in the vicinity of the Property, as required by law, the Association shall have the right, but not the obligation, to perform such maintenance on behalf of the Subassociation upon not less than fifteen (15) days prior written notice to the Subassociation. Any and all costs and expenses incurred by the Association in performing such maintenance on behalf of a Subassociation, shall be recoverable by the Association in accordance with applicable law.

4.5 Easement for Maintenance Purposes. The Declarant hereby reserves for itself, the Association, and their respective agents, employees, contractors, successors and assigns, an easement for access in, on, over and upon those portions of the Property as may be reasonably necessary for the purpose of access to and maintenance of the Common Area and the Surface Water or Stormwater Management System, or other portions of Property to be maintained by Association, in accordance with the requirements of this Declaration or as provided by law. This easement shall not be exercised by any party in a manner which unreasonably interferes with the use, occupancy, or enjoyment of any lawfully improved portion of the Property. Further, in the event that any portion of the Property shall be damaged or altered in any way as the result of the exercise of this easement, such portions of the Property shall be immediately restored to the condition that existed immediately prior to such damage or alteration by the party exercising such rights.

ARTICLE V

COVENANTS FOR MAINTENANCE ASSESSMENTS

5.1 Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Lot or Building Site within the Property who is a Member hereby covenants, and by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association any annual, special or other assessments established and levied pursuant to the terms of this Declaration. All such assessments, together with interest thereon from the due date at the highest lawful rate and costs of collection thereof (including reasonable attorneys' fees), shall be a charge and continuing lien upon each Lot or Building Site against which each such assessment is levied, and shall also be the personal obligation of the Owner. No Member may avoid liability for any assessments by waiver of rights to use, or by non-use of, the Common Areas or by abandonment. Notwithstanding any provision of this Declaration to the contrary, the Lots and Building Sites and other portions of the Property owned by the Declarant shall not be subject to any annual, special or other assessments levied by the Association or to any lien for such assessments.

5.2 Purpose of Assessments; Special Assessments.

(a) The annual assessments levied by the Association against all Members shall be used for the purposes of operational expenses, management and accounting fees, taxes, insurance, utility charges, maintenance, repair and other expenses relating to the Common Area, to fund the obligations of the Association set forth in Section 4.4, to provide common services to the Owners, to fund debt service and other changes related to loans obtained by the Association

from time to time, and for all other purposes reasonably contemplated by this Declaration, the Articles, the Bylaws, or any cost sharing or similar agreement to which the Association is or may become a party. Further, such annual assessments may be levied to fund reasonable reserves for deferred maintenance of or non-recurring expenses related to the Common Area, including without limitation the Surface Water or Stormwater Management System and any Amenities. The maintenance responsibilities of the Association payable through assessments levied against the Members shall specifically include, but not be limited to, the perpetual maintenance of all or any portion of the Surface Water or Stormwater Management System permitted by the SJRWMD, Permit Number(s) 99446-18, as amended from time to time, including all operation, sampling, testing, monitoring, reporting and maintenance requirements as specified by the permit. Any assessments which may be collected by the Association to fund reserves shall be separately accounted for, it being the requirement of this Declaration that such funds shall be used exclusively for deferred maintenance of, or non-recurring expenses related to, the Common Area.

(b) The Board of Directors may by a majority vote of its members, levy special assessments for any purpose relating to permissible or required activities of the Association pursuant to this Declaration, the Articles, or any cost sharing or similar agreement to which the Association is or may become a party. Special assessments shall be allocated among the Members as provided in Section 5.3.

5.3 Calculation and Collection of Assessments. Annual assessments shall be established by the Board of Directors based upon an annual budget. Each Member's pro rata share of the total annual assessment or any special assessment shall be based upon the following calculations:

(a) Owners of Lots and Building Sites shall pay a pro rata share of annual and special assessments based upon assessment equivalents allocated among the Owners as provided in subparagraph (b) of this Section 5.3 (the "Assessment Equivalents").

(b) The share of the total annual assessment and any special assessments imposed by the Board of Directors, pursuant to this Declaration shall be allocated among the Owners of the Lots and Building Sites and as follows:

(i) The Owners of Lots shall pay annual and special assessments based upon one (1) Assessment Equivalent for each Lot owned by such Owners.

(ii) The Owners owning Building Sites upon which Multi-Family Improvements are located or authorized for construction by Declarant, shall pay annual and special assessments based upon one (1) Assessment Equivalent for each Residential Dwelling Unit located upon each Building Site. In the event any Building Site is declared to the condominium form of ownership, the assessments allocated to the Building Site shall be divided equally among the condominium units which are constructed on the Building Site. The Association shall have all rights of enforcement provided under Section 5.6 against each individual condominium unit and the Owner thereof, for the assessments and other sums due the Association which are attributable to each such condominium unit.

(c) The assessment obligations of each Member other than the Declarant shall commence upon the recordation of this Declaration in the current public records of the County. Annual assessments shall be collectable in advance on a periodic basis established by the Board of Directors from time to time, which periodic basis shall not be less frequent than semi-annually. Special assessments shall be collectible in advance in the manner established by the Board of Directors at the time such special assessments are authorized.

(d) Assessments payable by Members who are members of a Subassociation, shall be collected from such Members by the Subassociation and remitted by the Subassociation to the Association. Assessments payable by Members who are not members of a Subassociation, shall be remitted directly to the Association by such Members. Notwithstanding the collection of assessments due the Association by any Subassociation, nothing contained herein shall affect the Association's right to directly enforce each Member's individual obligation to pay assessments to the Association pursuant to this Declaration.

5.4 Area Assessments. The Board of Directors may establish and levy annual and special assessments to fund the operation and maintenance of the Restricted Common Area, the Amenities and specific services authorized by the Board from time to time, which shall benefit only specific portions of the Property, including without limitation, the cost of security services and certain costs attributable to the Amenities (the "Area Assessments"). The Area Assessments shall be levied against only those portions of the Property that receive the benefit of such services and shall be allocated among only the Owners of those Lots and Building Sites located within such portions of the Property, based upon the allocations established by Section 5.3. The boundaries of the portions of the Property that are deemed to receive the benefit of the Area Assessments authorized by this Section 5.4 shall be determined by the Board in its sole discretion.

5.5 Capital Contributions. Upon the initial conveyance to any party (the "Buying Party") of any completed Residential Dwelling Unit, the Buying Party shall be required to make a one-time capital contribution to the Association in the sum of Three Hundred and No/100 Dollars (\$300.00) per Residential Dwelling Unit. Capital contributions collected pursuant to this Section 5.5 may be used for any purpose reasonably contemplated by this Declaration or the Association's Articles of Incorporation or Bylaws, as determined in the reasonable discretion of the Association's Board of Directors.

5.6 Effect of Non-Payment of Assessment: Lien, Personal Obligation, and Remedies of Association. The lien of the Association shall be effective from and after recording in the public records of the County, a claim of lien stating the description of the encumbered Lot or Building Site, the name of the Member, the amount and the due date. Such claim of lien shall include assessments which are due and payable when the claim of lien is recorded as well as assessments which may accrue thereafter, plus interest, costs of collection, attorneys' fees, advances to pay taxes and prior encumbrances and interest. Upon full payment of all sums secured by a claim of lien, the claim of lien shall be satisfied of record, and the affected Member shall pay the cost of the satisfaction. If any assessment is not paid within fifteen (15) days after the due date, the assessment shall bear interest from the due date at the highest lawful rate, and the Association may at any time thereafter bring an action to enforce the lien by

appropriate foreclosure proceedings and/or a suit on the personal obligation against the Member. There shall be added to the amount of such delinquent assessment, the costs of collection incurred by the Association which shall specifically include without limitation, reasonable attorneys' fees for pre-trial negotiations, trial preparation, trial, appeal and in bankruptcy proceedings. Upon receipt of a written request from any Member, the Association shall provide such Member with a written statement of all assessments and other charges due or to become due from such Member to the Association, which shall be binding on the Association through the date indicated on the Association's written statement.

5.7 Subordination of Lien to Mortgages. The lien of the assessments provided for by this Declaration shall be subordinate to the lien of any bona fide mortgage which is perfected by recording prior to the recording of the claim of lien for any such unpaid assessments. Such subordination shall apply only to the lien for assessments which have become due and payable prior to a sale or transfer of the applicable Lot or Building Site pursuant to a decree of foreclosure, by deed in lieu of foreclosure or pursuant to any other proceeding in lieu of foreclosure of such mortgage. No such sale or other transfer shall relieve any Lot or Building Site from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessments. Notwithstanding any provision of this Declaration to the contrary, nothing contained herein shall relieve any lender or mortgage holder of the obligation to pay assessments due to the Association pursuant to Section 720.3085 Florida Statutes (2018), or any law of similar import.

5.8 Declarant's Assessments. Notwithstanding any provision of this Declaration to the contrary, during the Development Period (as defined below), the Lots, Building Sites and other portions of the Property owned by the Declarant shall not be subject to any annual, special or other assessments levied by the Association or to any lien for such assessments. During the Development Period, and in lieu of payment of any assessments to the Association, the Declarant shall pay the balance of the actual operating expenses of the Association (which operating expenses shall not include any bad debt or similar expense) remaining after the levying of and payment of assessments due from Members other than the Declarant pursuant to assessments levied by the Board of Directors pursuant to this Declaration. The Declarant shall be obligated to fund such balance only as the operating expenses are actually incurred by the Association during the Development Period. The Development Period shall begin upon the conveyance of the first portion of the Property to an Owner other than the Declarant and shall continue until (i) Declarant shall no longer have the right to elect or appoint a majority of the Association's Board of Directors; or (ii) the Declarant shall notify the Association that it will no longer pay for operating deficits of the Association. Upon termination of the Declarant's agreement to pay operating deficits, the Declarant shall become obligated to pay assessments on Lots and Building Sites owned by it within the Property on the same basis as other Owners. In no event shall the Declarant be obligated to pay for operating deficits of the Association after the Declarant no longer owns any Lots or Building Sites within the Property.

5.9 Bulk Rate Service Agreements. Subject to the Declarant's express prior written consent, as a common service to the Owners, the Association may, but shall not be obligated to, enter into contracts ("**Common Service Contracts**"), including bulk rate service agreements, with providers ("**Service Providers**") of cable television, internet access, security, telephone and similar utilities for the construction, management, maintenance, modification and operation of

such systems and utilities (“**Common Systems**”). All expenses incurred by the Association in connection with any Common Service Contract or Common System shall constitute an expense which may be funded through the collection of assessments pursuant to this Article V; provided however, if particular or additional services or benefits are provided to particular Lots or building parcels, the benefitted Owner shall pay the Service Provider directly for such services, or the Association may assess such costs as an Area Assessment pursuant to Section 5.4 hereof. The terms of any Common Service Contract may obligate individual Owners to execute subscription agreements or other contracts directly with the applicable Service Providers, or alternatively, the Association may execute Common Service Contracts on behalf of all Owners. All such agreements or other contracts may contain terms and conditions relating to the use and access of the systems described therein which, if violated by the Owner or any other person, may result in services to the applicable Lot or building parcel being terminated by the Service Provider or the Association. The termination of service for such a violation shall not relieve the applicable Owner of the continuing obligation to pay that portion of assessments or other Association charges pertaining to the applicable Common Service Contract or Common Systems. The Association shall have no obligation to utilize any particular Service Provider and all Common Service Agreements shall contain such terms and provisions as the Association shall reasonably deem appropriate in its sole discretion.

5.10 Disclaimers as to Bulk Services. With respect to any Common Systems that are provided pursuant to Section 5.9, all Owners and occupants of any portions of the Property are hereby notified as follows:

(a) All Service Providers and the Common Systems provided by them may be subject to federal, state or local regulations, laws and ordinances. Such regulations, laws and ordinances may have a significant impact on certain aspects of the Common Systems including, but without limitation, the fees charged, the method of delivery and the relative rights and responsibilities of the Common System users and Service Providers. The impact of all such regulations, laws and ordinances are beyond the control of the Declarant and the Association, and accordingly, neither the Declarant nor the Association shall have any responsibility to any Owner therefor.

(b) Each Owner acknowledges and agrees that the Declarant and the Association, by virtue of their respective contractual relationships with Service Providers, may gain access to information relating to the individual use of the Common Systems by Owners including account and content information. In recognition of this fact, each Owner waives any privacy rights that such Owner may have in any such information, as well as any claims relating thereto against the Declarant, the Association or their respective affiliates, successors, assigns, constituent members or related parties. Further, each Owner acknowledges and agrees that the acquisition of such information by the Declarant or the Association shall not create any duty on the part of the Declarant, the Association or any other party to act in any manner with respect to such information.

(c) Neither the Declarant nor the Association nor any of their respective affiliates, successors, assigns, constituent members or related parties shall be liable to any Owner or other party for any direct, indirect, incidental, special, punitive, consequential or other damages, losses, allegations, claims, suits or other proceedings, expenses, liabilities or costs

(including attorneys' fees), including without limitation, loss of profits, earnings, business opportunities, data, inaccuracy of data, cost of procurement of substitute goods or services or personal injury (including death) resulting from, arising out of or in connection with, directly or indirectly, any Owner's or other party's use of any Common System services provided pursuant to a Common Service Contract, including without limitation (i) any contention that the use of a Common System by an Owner or other party infringes on the copyright, trademark, patent, trade secret, confidentiality, privacy or other intellectual property or contractual right of any party; (ii) mistakes, omissions, interruptions, deletion of files, errors, defects, delays in operation, non-deliveries, mis-deliveries, transmission or any failure of performance of the Common System; (iii) acts or occurrences beyond the reasonable control of applicable Service Providers, including without limitation, fire, lightening, explosion, power surge or failure, wars, acts of God, any law, order, regulation or requirement of any governmental or legal body or representative thereof; (iv) the content of services available on the internet or otherwise through any Common System, including the accuracy, quality and confidentiality of information obtained through third parties through such Common System; or (v) the activities of other internet users in accessing or monitoring any Owners' or other parties' personal computers or use thereof.

(d) Neither the Declarant nor the Association nor their respective affiliates, successors, assigns, constituent members or related parties shall be responsible for any damages, including the loss or damage of destruction of property, personal injury (including death), lost data, lost profits or lost opportunities, resulting from any interruption or termination of any services provided to Owners by any Common System. Each Owner acknowledges that all such services are subject to periodic interruption from time to time.

5.11 Notice of Transfer. Prior to the conveyance or transfer of any Lot or Building Site, each Owner shall obtain from the Association, a written statement of any and all assessments, costs, or other charges owed to the Association by such Owner with respect to the Lot or Building Site. All such assessments, costs and other charges shall be paid simultaneous with the closing of such Owner's conveyance or transfer of the Lot or Building Site, and in the event that the same shall not be paid, both the Owner and the Owner's grantee shall be jointly and severally responsible for the payment of same, and the Lot or Building Site shall be subject to the Association's lien for such unpaid sums as more particularly set forth in this Article V. Following the closing of any such conveyance or transfer, the new Owner shall, within fifteen (15) days of the effective date of such conveyance or transfer, notify the Association of the name and mailing address of the new Owner.

To the extent and as required by the County or any other governmental agency, reclaimed water shall be used for irrigation purposes on all Lots and Building Sites. Each Owner shall pay water meter charges of the supplier and shall maintain and repair all portions of the water lines which are located within, or which exclusively serve, the portions of the Property owned by such Owners. No individual

6.2 Sewage System. The central sewage system provided for the service of the Property shall be used as the sole sewage system for all buildings and improvements located within the Property. Each Owner shall maintain and repair all portions of the sewer lines located within, or which exclusively serve, the portions of the Property owned by such Owner, and shall pay when due the periodic charges or rates for the furnishing of such sewage collection and disposal services made by the operator thereof. ARTICLE VII
USE RESTRICTIONS AND RIGHTS AND EASEMENTS
RESERVED BY DECLARANT

7.1 Common DRI/PUD. Due to the integrated nature of the Property and the lands described in the DRI and the PUD, no Owner, or any other person or entity shall construct any improvements upon the Property, nor take any action, which in the sole opinion of the Declarant, would result in a violation or modification of the terms and provisions of the DRI or the PUD, as the same may be amended from time to time, without the prior written consent of the Declarant.

7.2 Compliance with Laws. All Owners and other occupants of the Property shall at all times comply with the terms of the DRI, the PUD, and all environmental, land use, marketing and consumer protection ordinances, statutes and regulations applicable to the Property or to any improvements constructed thereon, as well as all governmental rules, regulations, statutes and ordinances applicable to each Owner in connection with operation of improvements located within the Property.

7.3 Platting and Additional Restrictions. The Declarant shall be entitled at any time, and from time to time, to plat or replat all or any part of the Property, and to file any covenants and restrictions, or amendments to this Declaration, with respect to any portion or portions of the Property owned by the Declarant, without the consent or joinder of any other party.

7.4 Agricultural Uses. Nothing contained herein shall prohibit the Declarant from using the Property, or any portion thereof owned by Declarant, for any long term or interim agricultural, recreational, pasture land, wood lot, managed forest, conservation area or similar

use or uses including, without limitation, any such uses or the like described under the provisions of Section 193.461, Florida Statutes (2016), as amended, or any similar or subsequent "Green Belt" law that may be enacted and amended from time to time.

7.5 Owners' Responsibilities. All Lots, Building Sites and improvements shall be maintained by their respective Owners in a manner consistent with the Design Guidelines, the general appearance of other portions of the Property and standards of maintenance consistent with a first class mixed use development. The Owner of each Lot or Building Site shall at all times keep the exterior of all buildings and the grounds and landscaping thereon in good order and condition and free of litter. Operations, maintenance and repair activities shall be conducted in such a manner so as not to damage, injure, destroy or interfere with the operation and maintenance of the Common Area. Each Owner shall reimburse the Association for the cost of any repairs or replacements to the Common Area caused by such Owner or such Owner's tenants, agents, employees, contractors or invitees. If any Owner shall fail to adequately maintain such Owner's Lot or Building Site or any improvements located thereon, or shall fail to repair, correct or mitigate any damage to the Common Area within seven (7) days after receipt of written notice from the Association requiring that such action be taken, the Association shall be entitled to take such action at the Owner's expense. Each Owner shall be personally liable to the Association for all direct or indirect costs incurred by the Association in the performance of such repairs or maintenance, the payment of which shall be secured by a lien upon such Owner's Lot or Building Site, as applicable. Such lien shall be enforceable by the Association in the same manner as liens for assessments are enforced pursuant to Article V of this Declaration.

7.6 Nuisances and Other Impermissible Uses. No portion of the Property shall be used in a manner that would constitute a nuisance. A nuisance shall be defined to include the emanation of any objectionable noise or sound; vibration; electro-mechanical or electro-magnetic disturbance, field or radiation; smoke; infestation by rodents, insects, or microorganisms; the emission of noxious, hazardous, toxic or corrosive fumes, liquids, substances or materials; the emission of dust, dirt or fly ash; or the use, production, storage or handling of flammable or explosive materials or of controlled or regulated hazardous or toxic materials except in accordance with validly issued and existing governmental permits and regulations. Such usage may be objectionable if it so annoys or disturbs any Owner or tenant, or the owners or occupants of real property located adjacent to the Property, and obstructs or interferes with the reasonable or compatible use of any other portion of the Property or adjacent real property, or so as to render usage of any Lot or Building Site or any improvements thereon dangerous or damaging to persons or property or to cause usage of any portion of the Property or any improvement thereon to violate federal, state, county or municipal law. No Owner or tenant may use any portion of the Property in such a manner as to increase the fire insurance rating applicable to present or future improvements owned by other Owners or tenants.

7.7 Subdivision. No Owner shall subdivide any Building Site in a manner that would violate the provisions of the DRI, the PUD or this Declaration. Further, in order for any such subdivision to be effective under the terms of this Declaration, the Owner subdividing a Building Site shall be required to deliver written notice of such subdivision to the Association. Upon the Association's receipt of such written notice, the new Building Sites created by the subdivision of the original Building Site shall be deemed to have been created for purposes of this Declaration.

7.8 Lakes. No Owner or other party other than Declarant or the Association shall have the right to pump or otherwise remove any water from any lake located within or adjacent to the Property and constituting part of the Surface Water or Stormwater Management System for which the Association has maintenance responsibility, without the Declarant's prior written consent, which consent may be withheld for any reason in the Declarant's sole discretion. The Declarant and the Association shall have the sole and absolute right to control the water level of such lake or lakes and to control the growth and eradication of plants, fowl, reptiles, animals, fish and fungi in or on any such lake. No gas or diesel driven boat shall be permitted to be operated on any such lake, except by the Declarant, the Association or their respective employees, agents or independent contractors for the purposes of operation, repair or maintenance of such lakes. All lake and lake bank areas located within the Common Area shall be maintained by the Association with sufficient grass, planting or other lateral support so as to control erosion of the embankment adjacent to such lakes. All lake bank areas located within or adjacent to any Lot or Building Site shall be so maintained by the Owners thereof. Further, all shoreline vegetation, including cattails and the like, shall be maintained and controlled by the Association or the applicable Owner in accordance with the standards described in Section 7.5. Title to any Lot or Building Site shall not include ownership of any riparian rights over any lake located within the Property. The Association shall have the right to adopt reasonable rules and regulations from time to time in connection with use of the surface waters of any lake located within the Property. The Association shall have the right to deny such use to any person who in the opinion of the Association may create or participate in the disturbance or nuisance on any part of the surface waters of any such lake. The use of the surface waters of any such lake shall be subject to rights granted to other persons by the Declarant.

7.9 Reservation of Right to Release Restrictions. If a building or other improvement has been or is proposed to be erected within the Property in such a manner as to constitute a violation of, variance from, or encroachment into, the covenants and restrictions set forth in, or easements granted or reserved by, this Declaration, the Declarant shall have the right to waive or release the violation, variance or encroachment without the consent or joinder of any person so long as the Declarant, in the exercise of its sole discretion, determines in good faith that such waiver or release will not materially and adversely affect the health and safety of Owners, the value of adjacent portions of the Property, and the overall appearance of the Property.

7.10 Easement for Utilities. The Declarant reserves for itself, and its successors and assigns, a perpetual, non-exclusive blanket easement upon, across, over, through and under the Property for ingress, egress, installation, replacement, repair, use and maintenance of all utility and service lines in systems, public and private, including, but not limited to water, sewer, drainage, irrigation, telephone and electric lines and systems. The easement reserved hereby shall in no way affect any other valid and enforceable easements affecting the Property. Upon the construction of a building on a Lot or Building Site, the easement reserved hereby shall be automatically terminated with respect to the portion of the Lot or Building Site on which such building is located. No utility improvements may be installed or constructed within a Lot or Building Site by any party without not less than fifteen (15) days prior notice to the Owner of the portion of the Property upon which such utility improvements are to be constructed, which notice shall include a reasonably specific description of the proposed utility improvements. Any

damage to improvements resulting from the exercise of the easement rights reserved by this Section 7.10, shall be repaired by the party constructing the utility improvements.

7.11 Drainage Flow. Drainage flow shall not be obstructed or diverted from drainage easements. The Declarant or the Association may, but shall not be required to, cut drainways for surface water wherever and whenever such action may appear to be necessary to maintain reasonable aesthetic standards relative to the Property and surrounding properties. These easements include the right to cut any trees, bushes or shrubbery, make any grading of the land, or to take any other reasonable action necessary to install utilities and to maintain reasonable aesthetic standards, but shall not include the right to disturb any permanent improvements erected upon a Lot which are not located within the specific easement area designated on the plat or otherwise reserved in this Declaration. Notwithstanding any provision of this Section 7.11 to the contrary, neither the Declarant nor the Association shall take any action which shall alter the Surface Water or Stormwater Management System beyond maintenance in its original condition without the prior written approval of the SJRWMD.

7.12 Future Easements. Declarant reserves the right to impose further restrictions and to grant or dedicate additional easements and rights of way on any portions of the Property owned by Declarant. In addition, Declarant hereby expressly reserves the right to grant easements and rights-of-way over, under and through the Common Area so long as Declarant shall own any portion of the Property. The easements granted by Declarant shall not materially or adversely affect any improvements or unreasonably interfere with the enjoyment of the Common Area.

7.13 Additional Utility Easements. The Declarant reserves for itself, and its successors and assigns, a perpetual, exclusive easement for the installation, maintenance and operation of cables for the transmission of cable television, radio, or other electronic communications of any form, for propane or natural gas pipes, mains and related equipment, or for any improvements used in connection with providing cellular telephone service on, in, and over (i) any area designated as an easement, private street, or right of way on any plat of all or any portion of the Property, and (ii) any portion of the Common Area. With the exception of temporary overhead utility lines used in connection with the development of the Property, all cables located within the Property shall be installed and maintained underground. For purposes of this Section 7.13, the term "cables" shall include without limitation, all wire, coaxial, fiber optic, or other cable types intended for the transmission of electronic communications.

7.14 Easements for Maintenance Purposes. The Declarant reserves for itself, the Association, and their respective agents, employees, successors and assigns, easements, in, on, over and upon the Property as may be reasonably necessary for the purpose of preserving, maintaining or improving roadways, landscaped areas, wetland areas, lakes, ponds, hammocks, wildlife preserves or other Common Areas, the maintenance of which may be required to be performed by the Declarant or the Association.

7.15 Owners' Rights as to Easements. Each Owner shall acquire no right, title or interest in any of the pipes, lines or facilities located within any easement area reserved by this Declaration or created by any separate instrument. Any improvement constructed in violation of the terms of any easement applicable to any portion of a Lot or Building Site shall be removed

upon the demand of the applicable easement holder at the sole cost and expense of the party constructing such improvement.

7.16 Rules and Regulations. The Association, acting through its Board, shall have the right to adopt and amend reasonable rules and regulations pertaining to the use and occupancy of all portions of the Property, which shall be consistent with the provisions of this Declaration.

ARTICLE VIII ARCHITECTURAL CONTROL

8.1 Architectural Review and Approval. No landscaping, improvement or structure of any kind, including without limitation, any building, fence, well, screen enclosure, swimming pool, well, sewer, drain, disposal system, landscape device or object, well, driveway or other improvement shall be commenced, erected, placed or maintained upon any Lot, or upon the Common Area, nor shall any addition, change or alteration be made, unless and until the applicable plans, specifications and location have been submitted to and approved in writing by the Declarant or the Declarant's designee. All plans and specifications, which without limitation shall include all exterior colors and materials, shall be evaluated as to visual and acoustical privacy and as to the harmony of external design and location in relation to surrounding structures, topography, existing trees and other natural vegetation and as to specific conformance with architectural design guidelines which may be imposed from time to time by the Declarant (the "**Design Guidelines**"). It shall be the burden of each Owner to supply complete plans and specifications to the Declarant and no plan or specification shall be deemed approved unless a written approval is granted by the Declarant to the Owner submitting same. The Declarant shall approve or disapprove plans and specifications properly submitted within thirty (30) days of each submission. Any change or modification to an approved plan shall not be deemed approved unless a written approval is granted by the Declarant to the Owner submitting same.

8.2 Review Procedures. The Declarant shall have the following rights with respect to architectural review and approval conducted in accordance with this Article VIII:

(a) To promulgate, amend, eliminate or replace Design Guidelines applicable to architectural review to be conducted by the Declarant which shall be applicable to all or any portions of the Property. Any amendment of the Design Guidelines shall be consistent with the provisions of this Declaration. Notice of any amendment to the Design Guidelines, which shall include a verbatim copy of such amendment, shall be delivered to each member of the Association. The delivery to each member of the Association of notice and a copy of any amendment to the Design Guidelines shall not, however, constitute a condition precedent to the effectiveness or validity of such amendment. It shall not be necessary for the Design Guidelines, or any amendment thereto, to be recorded.

(b) To require submission of complete plans and specifications for any improvement or structure of any kind requiring review and approval pursuant to this Article VIII. The Declarant may also require submission of samples of building materials proposed for use on any Lot, and may require tree surveys to show the effect of the proposed improvements on existing tree cover, and such additional information as reasonably may be necessary for the

Declarant to completely evaluate the proposed structure or improvement in accordance with this Declaration and applicable Design Guidelines.

(c) To approve or disapprove in accordance with the provisions of this Article VIII, any improvements or structures of any kind, or any change or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot, and to approve or disapprove any exterior additions, changes, modifications or alterations therein or thereon.

8.3 Variance. The Declarant may authorize variances from compliance with any architectural provisions of this Declaration or applicable Design Guidelines when circumstances such as topography, natural obstructions, hardships, or aesthetic or environmental considerations require same. Such a variance must be evidenced by a document signed by an authorized representative of the Declarant and no such variance shall be deemed approved or otherwise implied unless and until such written evidence shall have been delivered to the applicable Owner. If such a variance is granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variance is granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Lot and particular provisions of this Declaration or applicable Design Guidelines covered by the variance, nor shall it effect in any way an Owner's obligation to comply with all governmental laws and regulations, including but not limited to, zoning ordinances and setback lines or requirements imposed by any governmental or municipal authority.

8.4 Assignment; Termination. The Declarant reserves the right to assign to the Association in whole or in part, or to terminate as to all or any portion of the Property, its reserved rights under this Article VIII. Upon assignment the Association shall automatically assume all of the Declarant's obligations under this Article VIII that pertain to such assigned rights, and shall be authorized to form an Architectural Review Board ("ARB"), who shall serve at the pleasure of the Association's Board of Directors. The ARB shall thereafter be authorized to exercise such rights of architectural control authorized by this Article VIII that are assigned to the Association. Any such assignment or termination shall be evidenced by an instrument executed by the Declarant and recorded in the public records of the County.

8.5 Payment of County Fees.

(a) Improvements to be constructed within the Property are subject to a variety of utility connection fees and impact fees (including without limitation, impact fees for roads, public capital facilities, law enforcement, fire and rescue, parks and schools) (together, the "County Fees") imposed by the County. The County Fees may be due and payable to the County prior to issuance by the County of a building permit for improvements to be constructed upon the Property. In consideration of the Declarant's donation of certain payments and real property to the County, the Declarant may receive in the future, County Fee credits from the County. These County Fee credits are transferable to other owners of real property that is located within the Property. As a result, the County may establish, County Fee credit accounts on behalf of the Declarant against which the Declarant or its assigns can draw when new

improvements are constructed within the Property in lieu of the payment of the County Fees to the County.

(b) Prior to applying for any building permit for construction of any improvements upon any Lot, each Owner shall provide the Declarant with notice of the Owner's intention to apply for such building permit. The Owner's notice shall include a general description and the approximate square footage of such improvements. The Declarant shall advise the Owner within five (5) days after receipt of the notice of the availability of County Fee credits. If the Declarant has County Fee credits available, then the Owner shall purchase such County Fee credits from the Declarant and the Declarant shall assign such credits to the Owner by use of a fee voucher approved by the County. The Owner shall notify the County at the time of application for a building permit of its intent to use a County Fee voucher from the Declarant. Each Owner shall pay the Declarant for the County Fee credits in an amount equal to the then current amount of the applicable County Fees.

(c) In the event that an Owner shall pay any County Fees to the County at a time when the Declarant has County Fee credits available for assignment to such Owner, such payment to the County shall not relieve the Owner from the obligation to purchase County Fee credits from the Declarant in accordance with this Section 8.5.

(d) Notwithstanding any provision of this Declaration to the contrary, this Section 8.5 shall not be amended or terminated without the prior written approval of the Declarant, and any attempt to amend or terminate this Section 8.5 without such approval shall be null and void.

8.6 Limited Liability. IN CONNECTION WITH ALL REVIEWS, ACCEPTANCES, INSPECTIONS, PERMISSIONS, CONSENTS OR REQUIRED APPROVALS BY OR FROM THE DECLARANT AS CONTEMPLATED BY THIS ARTICLE VIII, THE DECLARANT, THE ARB AND THE ASSOCIATION SHALL NOT BE LIABLE TO ANY OWNER OR TO ANY OTHER PERSON ON ACCOUNT OF ANY CLAIM, LIABILITY, DAMAGE OR EXPENSE SUFFERED OR INCURRED BY OR THREATENED AGAINST AN OWNER OR SUCH OTHER PERSON AND ARISING OUT OF OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF ANY SUCH REVIEWS, ACCEPTANCES, INSPECTIONS, PERMISSIONS, CONSENTS OR REQUIRED APPROVALS, WHETHER GIVEN, GRANTED OR WITHHELD BY THE DECLARANT, THE ARB OR THE ASSOCIATION.

ARTICLE IX

NOTICE OF PERMIT REQUIREMENTS

9.1 Jurisdictional Areas and Permits. THE PROPERTY HAS BEEN OR WILL BE DEVELOPED IN ACCORDANCE WITH REQUIREMENTS OF CERTAIN PERMITS ISSUED BY THE ACOE AND THE SJRWMD (THE "PERMITS"), AS SUCH PERMITS MAY BE AMENDED FROM TIME TO TIME. THE PERMITS ARE OR WILL BE OWNED BY THE DECLARANT AND/OR THE ASSOCIATION AND THE DECLARANT AND/OR THE ASSOCIATION HAVE THE OBLIGATION TO ASSURE THAT ALL TERMS AND CONDITIONS THEREOF ARE ENFORCED. THE DECLARANT AND/OR THE

ASSOCIATION SHALL HAVE THE RIGHT TO BRING AN ACTION, AT LAW OR IN EQUITY, AGAINST ANY OWNER VIOLATING ANY PROVISION OF THE PERMITS.

FURTHER, ANY OWNER OWNING A LOT OR BUILDING SITE WHICH CONTAINS OR IS ADJACENT TO JURISDICTIONAL WETLANDS OR CONSERVATION AREAS AS ESTABLISHED BY THE ACOE, THE SJRWMD OR BY ANY APPLICABLE CONSERVATION EASEMENT, SHALL BY ACCEPTANCE OF TITLE TO THE LOT OR BUILDING SITE, BE DEEMED TO HAVE ASSUMED THE OBLIGATION TO COMPLY WITH THE REQUIREMENTS OF THE PERMITS AS THE SAME RELATE TO THE OWNER'S LOT OR BUILDING SITE AND SHALL AGREE TO MAINTAIN THE JURISDICTIONAL WETLANDS AND CONSERVATION AREAS IN THE CONDITION REQUIRED UNDER THE PERMITS. IN THE EVENT THAT AN OWNER VIOLATES THE TERMS AND CONDITIONS OF THE PERMITS AND FOR ANY REASON THE DECLARANT AND/OR THE ASSOCIATION IS CITED THEREFOR, THE OWNER AGREES TO INDEMNIFY, DEFEND AND HOLD THE DECLARANT AND/OR THE ASSOCIATION HARMLESS FROM ALL CLAIMS, LIABILITIES AND COSTS ARISING IN CONNECTION THEREWITH, INCLUDING WITHOUT LIMITATION ALL COSTS AND ATTORNEYS' FEES, AS WELL AS ALL COSTS OF CURING SUCH VIOLATION. NO PERSON SHALL ALTER THE DRAINAGE FLOW OF THE SURFACE WATER OR STORMWATER MANAGEMENT SYSTEM OR ANY PORTION OF THE JURISDICTIONAL WETLANDS OR CONSERVATION AREAS, INCLUDING WITHOUT LIMITATION, ANY BUFFER AREAS, SWALES, TREATMENT BERMS OR SWALES, WITHOUT THE PRIOR WRITTEN APPROVAL OF THE SJRWMD OR THE ACOE, AS APPLICABLE.

ARTICLE X **INSURANCE**

10.1 Common Area Insurance. The Declarant or the Association shall obtain casualty insurance for all insurable improvements on or serving the Common Area, including personal property and fixtures, to the extent that the same are a part of or serve the Common Area, against loss or damage by fire or other hazards, including extended coverage, vandalism and malicious mischief, in an amount sufficient to cover the full replacement cost thereof. The Declarant or the Association shall also obtain commercial liability insurance covering the Common Area for the hazards of premises operations or actions arising out of bodily injury, property damage, false arrest, invasion of privacy or slander, which policy shall afford coverage of at least \$1,000,000.00 for any single occurrence with respect to the hazards enumerated therein. All policies must provide that they may not be canceled or substantially modified by any party without at least 10 days prior written notice to the Declarant and the Association. Premiums for all such insurance shall be common expenses paid for by the Association from funds raised by assessments.

10.2 Damage and Destruction. Immediately after any damage or destruction by fire or other casualty to any part of the Common Area that is covered by insurance providing coverage to the Association or the Declarant, the Association or the Declarant, as the case may be, shall proceed with the filing and settlement of all claims arising under such insurance. In the event the insurance proceeds paid to the Association or to the Declarant are not sufficient to

defray the cost of such repair or reconstruction, the Board shall levy a special assessment against all Owners in sufficient amounts to provide funds to pay such excess costs of repair or reconstruction. In the event of such damage or destruction, reconstruction or repair shall be commenced within 60 days of the casualty.

10.3 Owner's Insurance. Each Owner shall obtain and maintain insurance, at its own expense, affording broad form public liability coverage and fire and extended casualty coverage for such Owner's property and all improvements located thereon; provided, however, that no Owner shall maintain insurance coverage in any manner that decreases the amount that the Association or the Declarant, on behalf of all Owners and their mortgagees, may realize under any insurance policy that the Association or Declarant may have in force with respect to the Common Area.

ARTICLE XI AMENITIES

11.1 Authorization. The Association is and shall be authorized to construct, operate, maintain and repair recreational facilities which may be located in multiple locations within the Property, and which may include swimming pools, workout rooms, tennis courts, restaurants, playing fields, play grounds, dog parks, walking trails, open space and similar facilities (together, the "Amenities").

11.2 Funding. If the Association shall at any time construct, acquire, lease or otherwise operate any Amenities, the Association's costs incurred in connection with the financing, leasing, operation, maintenance and repair of such Amenities may be funded with annual assessments, special assessments or Area Assessments levied in accordance with Article V hereof, or with user fees established pursuant to Section 11.3.

11.3 Use Rights. The Board may from time to time establish levels of permissible use by the Members and may specify Area Assessments or user fees that must be paid by certain Members as a condition to using certain facilities within the Amenities. In no event shall any Member be required to pay any assessment, user fee or other charge related to the Amenities, unless such Member shall be granted the right to use specifically identified facilities included within the Amenities, all as specified by the Board in its sole and reasonable discretion. Further, the Board may, in its sole and reasonable discretion, make the Amenities available to persons who are not Members on a fee for use basis.

ARTICLE XII GENERAL PROVISIONS

12.1 Ground Leased Land. Where all or any part of a Lot has been leased by the Owner of the fee simple title to the Lot under a ground lease having an original term of not less than ten years, then so long as such ground lease shall remain in effect, all references in this Declaration to "Owner" shall be deemed to refer to the lessee under the ground lease, and any lien arising under the provisions of Article V shall attach only to the interest in the Lot of the lessee under the ground lease. The Association's reasonable identification of any party deemed to be an "Owner" pursuant to this Section 12.1 shall be dispositive.

12.2 Declarant's Reserved Rights Re: Easements. Notwithstanding any provision of this Declaration to the contrary, the Declarant shall have the right to specifically define or amend the boundaries or extent of any easement, license, or use right reserved or granted pursuant to the terms hereof. At any time, the Declarant shall have the right to execute and record an instrument which shall specifically define or amend the boundary and extent of any such easement, license or use right, or the Declarant may specifically define or amend such boundaries by the designation thereof on one or more recorded plats of portions of the Property. The Declarant's determination of the boundary and extent of any easement, license or use right reserved or granted pursuant to this Declaration in accordance with this Section 12.2, shall be dispositive for all purposes; provided nothing contained in this Section 12.2 shall authorize the Declarant to take any action that would have a material and adverse effect on any improved portion of the Property.

12.3 Remedies for Violations.

12.3.1 If any Owner or other person shall violate or attempt to violate any of the covenants or restrictions set forth in this Declaration, it shall be lawful for the Association, the Declarant or any Owner (i) to prosecute proceedings at law for the recovery of damages against those violating or attempting to violate the covenant or restriction; or (ii) to maintain any proceeding against those violating or attempting to violate the covenant or restriction for the purpose of preventing or enjoining all or any violations, including seeking mandatory injunctions requiring compliance with the provisions of this Declaration. The ACOE and the SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the Surface Water or Stormwater Management System and/or jurisdictional wetlands or conservation areas subject to the control of the ACOE or SJRWMD. In the event of a dispute arising under this Declaration, whether or not a lawsuit or other proceeding is filed, the prevailing party shall be entitled to recovery of its reasonable attorneys' fees and costs which shall include attorneys' fees and costs for pretrial preparation, trial, appeal and in bankruptcy proceedings. Such attorneys' fees and costs shall include attorneys' fees and costs incurred in litigating entitlement to attorneys' fees and costs, as well as in determining or quantifying the amount of recoverable attorneys' fees and costs. The reasonable costs to which the prevailing party is entitled shall include costs that are taxable under any applicable statute, rule or guideline. The remedies described in this Section 12.3.1 shall be construed as cumulative of all other remedies now or hereafter provided or made available elsewhere in this Declaration, or by law.

12.3.2 **Fines and Suspension.** In addition to all other remedies, and to the maximum extent allowed by law, the Association may impose fines or suspensions in accordance with applicable law. Any such fines may exceed an aggregate total of One Thousand and No/100 Dollars (\$1,000.00).

12.4 Severability. Invalidation of any of the provisions of this Declaration by judgment or court order shall not affect or modify any of the other provisions, which shall remain in full force and effect.

12.5 Additional Restrictions. No Owner, without the prior written consent of the Declarant, may impose any additional covenants or restrictions on any part of the Property, but

the Declarant may include in any contract, deed or other instrument covering all or any part of the Property, any additional covenants or restrictions which are not inconsistent with and which do not lower standards established by this Declaration. Further, any portion of the Property which shall be approved for development of townhomes or condominium units shall be subject to specific covenants and restrictions, or declarations of condominium, as applicable, which shall be administered by a subassociation for each townhome or condominium development.

12.6 Titles. The addition of titles to the various sections of this Declaration are for convenience and identification only and the use of such titles shall not be construed to limit, enlarge, change, or otherwise modify any of the provisions hereof, each and all of which shall be construed as if not entitled.

12.7 Termination or Amendment. The covenants, restrictions, easements and other matters set forth herein shall run with the title to the Property and be binding upon each Owner, the Declarant, the Association and their respective successors and assigns for a period of fifty (50) years, and shall be automatically renewed for successive ten (10) year periods unless terminated as herein provided. The Owners holding two-thirds (2/3) or more of the total votes of the Association may alter, amend or terminate these covenants provided, however, that so long as the Declarant owns any land within the Property, no such termination or amendment shall be effective without the written consent and joinder of the Declarant. Further, until such time as the Declarant shall no longer be entitled to elect a majority of the members of the Board, subject to the requirements of Section 720.3075(5), Florida Statutes (2013), the Declarant shall have the unilateral right to amend this Declaration without the consent or joinder of any other party in any manner which does not materially and adversely affect the value of any Lot or other building parcel located within the Property. Any amendment to this Declaration which alters any provision relating to the Surface Water or Stormwater Management System, beyond maintenance in its original condition, including mitigation or preservation areas and the water management portions of the Common Area, must have the prior written approval of the SJRWMD. Any amendment to this Declaration which amends the responsibilities or obligations of the parties with respect to any permit issued by the ACOE must have prior written approval of ACOE. Any amendment to this Declaration shall be executed by the Association and Declarant, if applicable, and shall be recorded in the current public records of St. Johns County, Florida.

12.8 Assignment of Permit Responsibilities and Indemnification. In connection with the platting and development of the Property, the Declarant may assume certain obligations in connection with the Permits. The Declarant may at any time assign to the Association, and the Association shall unconditionally accept, the Permits and all of the Declarant's obligations and responsibilities for compliance with the Permits. Following such assignment, the Association shall indemnify, defend and hold the Declarant harmless from all suits, enforcement actions, damages, liability and expenses in connection with any violation of the Permits occasioned wholly or in part by any act or omission of the Association or its agents, contractors, employees, servants or licensees.

12.9 Conflict or Ambiguity in Documents. To the extent of any conflict, ambiguity, or inconsistency between this Declaration, the Articles, or the Bylaws, the terms of this Declaration shall control both the Articles and Bylaws.

12.11 Effective Date. This Declaration shall become effective upon its recordation in the public records of St. Johns County, Florida.

NEITHER THE DECLARANT, THE ASSOCIATION, NOR ANY OF THEIR SUCCESSORS, ASSIGNS, OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUB-CONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE WATER QUALITY OR LEVEL IN ANY LAKE, POND, CANAL, CREEK, STREAM OR OTHER WATER BODY ADJACENT TO OR WITHIN THE PROPERTY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR AUTHORITY. FURTHER, ALL OWNERS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID WATER BODIES SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF THE DEED TO OR USE OF, SUCH PROPERTY, TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FOR ANY AND ALL CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES.

XIII. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

A. To the extent allowed by law, the Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

1. Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as a Director or officer of the Association or as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable grounds for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interest of the Association or that he had reasonable grounds for belief that such action was unlawful.

2. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of gross negligence or misconduct in the performance of his duty to the Association unless, and only to the extent that, the court, administrative agency, or

JAX_ACTIVE 3704972.7

((H19000156884 3))

(((H19000156884 3)))

investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

B. The Board of Directors shall determine whether amounts for which a Director or officer seek indemnification were properly incurred and whether such Director or officer acted in good faith in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

C. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

XIV. TRANSACTION IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED.

A. No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are Directors or officers, or in which they have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose. All such contracts or transactions shall, however, be fair and reasonable and upon terms reasonably comparable to those which could be obtained in arms-length transactions with unrelated entities. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

B. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

XV. DISSOLUTION OF THE ASSOCIATION.

A. Upon dissolution of the Association, all of its assets remaining after provisions for creditors and payment of all costs and expenses of such dissolution shall be distributed in the following manner:

1. Dedication to any applicable municipal or other governmental authority of any property determined by the Board of Directors of the Association to be appropriate for such dedication and which the authority is willing to accept.

2. Remaining assets shall be distributed among the Members, subject to the limitation set forth below, each Member's share of the assets to be determined by multiplying such remaining assets by a fraction the numerator of which is all amounts assessed by the Association since its organization against the portion of Property which is owned by the Member at that time, and

JAX_ACTIVE 3704972.7

7

(((H19000156884 3)))

((H19000156884 3)))

the denominator of which is the total amount (excluding penalties and interest) assessed by the Association against all properties which at the time of dissolution are part of the Property. The year of dissolution shall count as a whole year for purposes of the preceding fractions.

B. The Association may be dissolved upon a resolution to that effect being approved by a majority of the Board of Directors and by two-thirds (2/3) of the Members. In the event of incorporation by annexation or otherwise, of all or part of the Property by a political subdivision of the State of Florida, the Association may be dissolved in the manner set forth above.

C. In no event shall the Association be dissolved or merged, and any attempt to do so shall be ineffective, unless and until maintenance responsibility for the Surface Water or Stormwater Management System transferred to and accepted by an entity which is approved by the SJRWMD, or other governmental authority having jurisdiction, pursuant to the requirements of Rule 62-330.310, Florida Administrative Code, Applicant's Handbook Volume I, Section 12.3 or other administrative regulation of similar import.

XVI. MERGERS AND CONSOLIDATIONS.

Subject to the provisions of the Declaration applicable to the Property and to the extent permitted by law, the Association may participate in mergers and consolidations with other nonprofit corporations organized for the same purposes, provided that any such merger or consolidation shall be approved in the manner provided by Chapter 617, Florida Statutes as the same may be amended from time to time. For purposes of any vote of the Members required pursuant to said statutes, for so long as the Declarant shall own any portion of the Property, any such merger or consolidation shall require the Declarant's prior approval.
